Sir,

I am offering my services again. I should like to help in helping the Empire. I am 15 years of age. I have several plans that may help. If 500 sharp-shoots were raised I should like to help ado [sic]. I would like to have and [sic] interview with your Lordship. To the front I want to go if I can. This is one of my plans. There are German Vessels captured in Brisbane. These ought to be turned into war vessels with some heavy guns; if they can be spared.

I have the honour to be,

Sir,

Your obedient servant,

Basil Stubbs

To,

Sir Arther [sic] Morgan,
Lieutenant - Governor,
Of Queensland,
Brisbane.

I am in a hurry.
Excuse mistakes.

Hurrah for old England
